Dear LEADers,

We are planning to have an alumni meet on 27-12-2020. I request you all to suggest the ideal time considering the alumni from different parts of the world especially the Gulf. The meet shall be online either in Zoom or similar.

Please discuss the same in your groups and please plan to attend in full numbers.

I humbly request you to take initiative in planning, participating and encouraging your friends also to participate. Let us make this Alumni meet a grand success.

Please coordinate with Arjun for the timing and programs/agenda.

Thomas
